

Financial Controller

Navigare Capital Partners is seeking a Financial Controller to join our team.

Located in Hellerup, Denmark, Navigare Capital was founded in 2017 and is a fast-growing investment manager that manages Maritime Investment Fund I and Maritime Investment Fund II and a growing number of vessels across different shipping segments such as containers, dry cargo, tankers and gas.

Working with the Finance & Accounting Director, you will become part of a small team overseeing and managing the outsourced finance and accounting functions in a company focused on enabling the green transition of the shipping industry.

The job:

- An exciting position in a small and fast-growing organization
- Examples of tasks:
 - Oversight of the finance and accounting activities outsourced to 3rd party, and close daily cooperation with the service provider. The outsourced activities include bookkeeping, accounts payable, accounts receivable, payroll, end-of-month closing, budgeting and reporting
 - Analyzing financial data and preparing financial reports
 - Controlling
 - Follow-up on annual budgets and periodic forecasts
 - Participating in preparation and maintaining of cash-flow analysis as needed
 - Participating in the audit process for all group companies
 - Financial transactions
 - Respond to inquiries regarding financial performance

You have:

- A relevant degree in accounting or equivalent
- 2-5 years of relevant experience, preferably within the shipping industry
- A strong analytical mindset and an interest in working with maritime investments
- Good Excel skills
- Sound knowledge of accounting fundamentals
- Excellent interpersonal skills
- A high degree of motivation
- The ability to prioritize multiple tasks effectively.

We offer:

- The opportunity to join a fast-growing company in the maritime and financial industry
- A company with a strong team spirit, with the entire team involved in the decision-making process
- Attractive remuneration and employee benefits
- Flexible working conditions
