

## ESG Associate/Senior Associate at Navigare Capital Partners

Are you interested in being part of a highly professional and dedicated team in an international working environment? Do you want to make a difference in a high impact climate sector and work with a company that cares? Then you might be Navigare Capital's new ESG specialist.

### Who we are:

Navigare Capital Partners was founded in 2017 and is an AIFM-approved fund management company. It serves professional investors by investing in a portfolio of shipping assets through a disciplined investment strategy executed by an experienced team with deep industry knowledge. Navigare Capital Partners is committed to the highest degree of business conduct and supports the green transition of the shipping industry.

### What we offer:

You will be part of a small tight-knit team, where your opinion is valued and appreciated. As a team we support each other and always have time to help. As a part of a small and relatively new department, you will be able to drive the role towards your area of interest and start up new initiatives. You will also be involved in a wide range of tasks from preparing sustainability reports and quarterly reports to overseeing biodiversity impact assessments and conducting analyses of climate-related risks, while having your own specific areas of responsibility.

The office is located close to the seaside in Hellerup and we offer a wide range of employee benefits, including flexibility and a competitive salary package.

### We imagine that you:

- have a master's degree in for instance business, political science or law;
- have 1-3 years of relevant working experience preferable from an audit firm or asset manager;
- are familiar with relevant ESG regulations such as the EU Taxonomy, SFDR and CSRD, and frameworks such as GRI, TCFD, SBTi
- have strong communication skills and is fluent in English, both orally and writing;
- have a high proficiency in MS Office, especially Excel and PowerPoint;

### Key responsibilities for the position:

- Maintain and develop our Responsible Investment Policy and supporting policies to align with regulatory expectations and internal aspirations;
- Develop responsible and sustainable due diligence structures and processes across the asset management value chain;
- Stay informed and ensure compliance with relevant sustainability regulation;
- Implement relevant ESG frameworks such as the TCFD, SBTi, and TNFD

### Deadline:

We process applications and arrange interviews on a rolling basis and therefore encourage you to apply as soon as possible and no later than 8 October 2023.

### How to apply:
